

Wraxall's School News

Inspiring – Nurturing – Achieving

What a lovely warm week!

The sun has well and truly been shining and the children have loved being outdoors in the sunshine. We've been fortunate to have our school gazebos set up and ready for them to shelter in and some of the children have loved using them to play board games, alongside some of the more active lunch play.

There is a buzz about the school with all the usual term 6 excitement. Year 5/6 have been busy learning their lines for their end of year performance. Watch this space for updates and more information!

I've seen some great writing this week with some lovely language choices – well done Pine class. I particularly liked the piece about me driving a Lamborghini (maybe I'll be lucky in the lottery this weekend!) Oak Class had a fantastic time at the Lifeskills centre last week, check out their quotes below! Willow class are travelling back in time next week to the Victorian era – I'm looking forward to hearing everything they discover on their journey at Tyntesfield.

Maple class had a lovely welly walk this afternoon and have come back full of smiles and excitement about everything they had seen.

I wish you all a lovely relaxing weekend – see you on Monday!

Amy Townsend
